

Where do we go to find the latest updates from Rising Hills?

- Website: Go to www.gorhc.org for the latest service announcements
- Emails: Look for regular emails from Dr. Anderson with any major updates
- Facebook: Dr. Anderson will be releasing daily Bible studies on Facebook which will include updates
- Social Media: Check out our Facebook, Instagram, and Twitter accounts
- Church app: via push notifications

How long will we be doing "Sofa Services"?

We will be doing "Sofa Services" on *March 22* and *29*. We are closely monitoring the COVID-19 situation. All Cherokee County schools are closed through *March 31st*. We will attempt to comply with all federal, CDC, and Cherokee County School District mandates. Thank God for our previous experience doing "Sofa Services"!

How can I still give during this time?

There are four easy ways to give during this time. We have been using these successfully for over a year:

- By Mail: Rising Hills Church, P.O. Box 4506, Canton, GA 30114
- By Website: Go to www.gorhc.org and select the *GIVE* option. Click on the *Give Now* tab. Follow the instructions.
- By App: Download the Rising Hills Church app in the app store. Click on the *Give* icon at the bottom of the screen. Click on the *Online Give* and follow the directions.
- By Text: Text "GIVE" to 706.786.3602. You will be prompted to set up your own text-to-give account. You're ready to go!

What about other Rising Hills events?

We have suspended all events, Bible studies, DTEAMS, etc., until further notice. We will let you know when our services at Indian Knoll will resume. ("Let it happen quickly, Lord!").

Here are some ways Rising Hills hopes to minister during this time:

- **Sofa Services** - we will have worship and Bible study beginning this Sunday at 10:30 AM.
- **Deacon Family Ministry** – if they have not already done so, you should be personally contacted by a Trustee or Deacon this week. This deacon/trustee will become your *personal point of contact* for Rising Hills. Should your situation change, or if you have any needs, please contact your deacon immediately. In the event you are not contacted, please email info@gorhc.org so we can add you to our ministry list.
- **Daily Devotions** - Bro. George will be posting daily devotions to Facebook. Use these for personal or family devotions. And please share with others in your Facebook community.
- **RH Kids** - Mrs. D'Lynn will be providing some fun activities throughout the week (like crafts, kid devotionals, and family Q&A ideas). These will be emailed to you. Please contact us at info@gorhc.org to be added to our distribution list.
- **Prayer** - Our Rising Hills Prayer Team is continuing to receive and pray over requests and praises. If you have a request or praise you would like to submit, you can do so through the church app (click on the *Prayer Request* section in the middle of the main page). You can also email Gena Hood at acworthjunebug@yahoo.com.
- **Right Now Media** - We provide every member, attender, or guest with access to a wealth of free online resources through Right Now Media! RNM provides online libraries for all ages, complete with books, devotionals, Bible studies, and conference videos. There is also an amazing kids section of safe, family friendly videos, books and much more. If you would like access to this FREE online resource (our Rising Hills gift to you), please email info@gorhc.org and let us know you would like an invite. You will receive a follow-up email from RNM asking you to set up your account. Again, *this is our GIFT to YOU*.
- **Meeting any needs.** If you hear of any needs in our church or community, please contact Greg King at greg@gorhc.org.
