

**RISING HILLS KIDS
KNOW BEFORE YOU GO**

WHEN: Sunday mornings beginning September 13th

WHERE: Holly Commons Clubhouse
400 Holly Commons Pkwy
Canton, GA 30115

TIME: See below for specific information

WHO: While at the temporary location, we will offer three classes:

- **Nursery** (under 3 years - age on or after September 1st)
- **Preschool** (ages 3 & 4 - age on or after September 1st)
- **Elementary** (K-5th grade)

Schools and daycares have invested a lot of time over the last several months creating procedures designed to keep faculty and students safe. We are going to replicate many of these as most of you are already familiar with them.

1. **DROP OFF/PICK UP:** we will utilize curbside drop-off and pick-up.
 - a. Included in your mailing today are "Remote Check-In Cards".
 - i. One card per child must be completed EACH Sunday prior to entering the drop-off line.
 - ii. One of our Children's Volunteers will greet you at your car to obtain your child's check in card and direct your child to another Children's Volunteer who will escort your child into the building.
 1. At this time, you will be given a hang-tag to be placed from your rear-view mirror. This tag will be used each week to identify your vehicle when you return to pick your child up

*Please note, for the safety of all children and volunteers, parents will not be allowed in the building. Should you choose not to participate in the drop-off/pick-up line, you will need to park your vehicle at the retail space across from the club-house and walk your child to the Volunteer to present your check-in card and get your car tag for pick-up.

2. **TIME:** We understand you will need to drop your child off in time to get back to the property for the beginning of service at 10:30.
 - Children may be dropped off any time after 10:00 a.m.
 - Children should be picked up immediately after service is complete; *please be respectful of the volunteers who are serving you and your family during this time by being prompt.*
3. **SOCIAL DISTANCING:**
 - a. **Nursery/Preschool:**
 - i. Social distancing will not be practical in these classrooms due to the "play nature" of their learning structure.
 - ii. Please send a labeled sippy cup/water bottle with your child
 - b. **Kindergarten-5th Grade:**
 - i. This room will be set up to take into consideration some distancing between students
4. **SAFETY:**
 - a. **Masks** - masks are not required. However, like the school system, we do encourage them for K-5th students as a measure of protection for all children and volunteers because of our inability to distance the children at least 6 feet.
 - b. **Food/Drinks** - NO outside food or drink (other than a water bottle) is permitted.

REQUIRED WARNING NOTICE:

Under Georgia law, there is no liability for an injury or death of an individual entering the above referenced premise if such injury or death results from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.
