

October

2023

Join us in lifting up specific prayer requests, each day of the month of October, as we prepare to move home. We also have countless praise requests to lift up and thank Him for including:

- The Lord's provision - He has provided for us at each step of the way, in ways only He can receive the glory.
- The Lord's protection - He has watched over and gone before us, even in the midst of a pandemic, global shut down, construction prices soaring, and so much more.
- The Lord's guidance - He has directed us at every turn, giving us direction, peace, and confirmation.
- The Lord's favor - The Lord has been good to Rising Hills and He continues to bless us beyond what we can fathom.
